5 Income Tax Withholding

Distributions are subject to federal income tax withholding unless you elect not to have withholding apply. If your address of record is within a mandatory withholding state, state taxes will be withheld from your distribution in accordance with the respective state rules. If you elect a direct rollover, you understand that income taxes will not be withheld. Certain Roth IRA distributions may not be subject to withholding. **If you do not check a box, we will withhold 10%.**

- I **do not** want federal income taxes withheld from my distribution. I understand that I am responsible for payment of federal income tax on the taxable portion of the distribution, and I may incur penalties under the estimated tax payment rules if the withholding and estimated tax payments are not sufficient.
- I want federal income tax withheld and understand that the withholding will be done at a rate of 10% unless a withholding percentage greater than 10% is specified to the right. I also understand that the amount withheld may be subject to a % premature distribution penalty.

NOTE: You may request a change in writing prior to a distribution.

PRIVACY POLICY

In the course of doing business with M.Y. Safra Bank, you share personal and financial information with us. We treat this information as confidential and recognize the importance of protecting access to it.

You may provide information when communicating or transacting with us in writing, electronically, or by phone. For instance, information may come from applications, requests for forms or literature, and your transactions and account positions with us. On occasion, such information may come from consumer reporting agencies and those providing services to us.

We do not sell information about current or former customers to any third parties, and we do not disclose it to third parties, unless necessary to process a transaction, service an account, or as otherwise permitted by law. We may also share that information with companies that perform administrative or marketing services for M.Y. Safra Bank; with a research firm we have hired; or with a business partner with whom we are developing or offering additional products. When we enter into such a relationship, our contracts restrict the companies' use of our customer information, prohibiting them from sharing or using it for any purposes other than those for which they were hired.

We maintain physical, electronic, and procedural safeguards to protect your personal information. Within M.Y. 6 Beneficiaries

Complete this section to name your beneficiaries. If there are no beneficiaries on your account, inheritance may default to a surviving spouse or to the rules governing estates in your state. Failure to provide the percentage for each beneficiary will result in equal allocation.

If a primary beneficiary dies before you, the percentages will be recalculated proportionately among the surviving primary beneficiaries unless you instruct otherwise. Similar rules apply to secondary beneficiaries. Secondary beneficiaries inherit assets only if no primary beneficiaries survive you. You may wish to speak to an estate planner about your personal situation.

Inherited IRA: Some states may restrict and/or prohibit adding beneficiaries on Inherited IRAs. Consult with an attorney or the appropriate state authority regarding the laws in your state.
